Section 1.3 The mere acquisition or rental of any of the lots of the Subdivision or the mere act of occupancy of any said lots will signify that these Bylaws, Charter provisions, and regulations in the Declaration are accepted, ratified and will be complied with.

Section 1.4 Anything in these Bylaws to the contrary notwithstanding the said Bylaws shall not become applicable or effective, insofar as the management of the subdivision project is concerned, until actual management of the subdivision project is delivered and turned over to this non-profit corporation (under the terms and conditions as set out in Section VII of the Declaration) the management of said subdivision project being vested in the Developer until said turnover.

ARTICLE II

Membership, Voting Quorum, Proxies

Section 2.1 The qualifications of members, the manner of their admission to membership and termination of such membership and voting by members, shall be as set forth in Article IV of the Articles of Incorporation of the Association, the provisions of which Article IV of the Articles of Incorporation are incorporated herein by reference.

Section 2.2 A quorum of membership meetings shall consist of persons entitled to cast eight votes (8) of the votes of the entire membership. The joinder of a member in the action of a meeting by signing and concurring in the minutes thereof shall constitute the presence of such person for the purpose of determining a quorum.

Section 2.3 The vote of the owners of a lot owned by more than one (1) person or by a corporation or other entity shall be cast by the person named in the written notice signed by all of the owners of the lot filed with the Secretary of the Association, and such written notice shall be valid until revoked by subsequent written notice. If such written notice is not on file or not produced at the meeting, the vote of such owners shall not be considered in determining the requirements for a quorum, nor for any other purpose.

Section 2.4 Votes may be cast in person or by proxy. A proxy is defined as the authority to cast the vote of a member qualified to vote as set forth in the Articles of Incorporation. To be valid a proxy must be dated, must state the date, time and place of the meeting for which it is given and must be signed by the lot owner. A proxy is effective only for the specific meeting for which it is originally given and as that meeting may lawfully be adjourned and reconvened from time to time. Notwithstanding the foregoing, a proxy automatically expires ninety (90) days after the date of the meeting for which it was originally given. A proxy is revocable at any time at the pleasure of the person who executes it. If a proxy form so provides, any proxy holder may appoint, in writing a substitute to act in his place.

Section 2.5 Approval or disapproval of a lot owner upon any matters, whether or not the subject of an Association meeting, shall be by the same person who would cast the vote of such owner if at an Association meeting.

Section 2.6 Except where otherwise required under the provisions of the Articles of Incorporation of the Association, these Bylaws, the Declaration of Subdivision, or where the same may otherwise be required by law, the affirmative vote of the owners of a majority of the Lots represented at any duly called membership meeting at which a quorum is present shall be binding upon the members.

ARTICLE III

Annual and Special Meetings of Membership

Section 3.1 The annual membership meeting shall be held at the office of the Association at 7:00 P.M., Eastern Standard Time, on the first Tuesday in February of each year for the purpose of electing directors and of transacting any other business authorized to be transacted by the members; provided, however, that if that day is a legal holiday, the meeting shall be held at the same hour on the succeeding Tuesday.

Section 3.2 Special membership meetings shall be held whenever called by the board of directors or by eight votes (8) of the lot owners. The notice of any special meeting shall state the time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 3.3 Notice of all membership meetings, regular or special, shall be given by the President, Vice President or Secretary/Treasurer of the Association, or other officer of the Association in the absence of said officers, to each member, unless waived in writing, such notice to be written or printed and to state the time, place and objective for which the meeting is called. Such notice shall be given to each member not less than fourteen (14) days nor more than thirty (30) days prior to the date set for such meeting, which notice shall be mailed or presented personally to each member within said time. If presented personally, receipt of such notice shall be signed by the member,

indicating the date on which such notice was received by him. If mailed, the notice of the membership meeting shall be sent by certified mail, return receipt requested, which mailing shall be deemed notice. Written notice of all membership meetings, regular or special, shall be posted in a conspicuous place on the subdivision property at least fourteen (14) days prior to the meeting. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of such notice to such member. If any membership meeting cannot be organized because a quorum has not attended, or because a greater percentage of the membership to constitute a quorum of attendance may be required as set forth in the Articles of Incorporation, these Bylaws or the Declaration of Subdivision, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum or the required percentage of attendance, if greater than a quorum, is present. Lot owners may waive notice of specific meetings and may take action by written agreement without meetings provided there is strict compliance with the percentage of lot owners or voting rights required to make decisions and to constitute a quorum as provided in the Declaration of Subdivision, Bylaws and Articles of Incorporation of this subdivision.

Section 3.4 Adjournment of any annual or special meeting to a different date, time, or place must be announced at meeting before an adjournment is taken, or notice must be given of the new date, time or place of, such meeting, all as herein provided. Any business that might have been transacted on the original date of the meeting may be transacted at the adjourned meeting. If a new record date for the adjourned meeting is or must be fixed, notice of the adjourned meeting must be given to persons who are entitled to vote and are members as of the new record date but who were not members as of the previous record date.

Section 3.5 At membership meetings, the President, or in his absence, the Vice President, shall preside, or in the absence of both, the membership shall elect a chairman.

- 3.6.9 New business.
- 3.6.10 Adjournment.

Section 3.7 Meetings of the Association shall be held at the principal office of the subdivision or such other suitable place convenient to the owners as may be designated by the board of directors.

ARTICLE IV
Board of Directors and Officers

Section 4.1 The board of directors shall consist of three (3) directors. Any lot owner desiring to be a candidate for board membership can be nominated from the floor at the annual meeting of the membership. Each director elected at the first annual meeting of the membership thereafter shall serve for the term of one (1) year or until his successor is duly elected. Any member of the board of directors recalled and removed from office with or without cause by a vote or agreement in writing by a majority of all lot owners. A special meeting of the lot owners to recall a member or members of the board of directors may be called by three (3) of the lot owners giving notice of the meeting as required for a meeting of lot owners, and the notice shall state the purpose of the meeting. The Developer is entitled to elect at least one (1) member of the board of directors of the Association as long as the Developer holds for sale in the ordinary course of business any lot in the subdivision.

Section 4.2 Election of directors shall be conducted in the following manner:

4.2.1 Each member of the board of directors shall be elected by a plurality of the votes cast at the annual meeting of the members of the Association.

4.2.2 Vacancies in the board of directors may be filled until the date of the next annual meeting by the majority vote of the remaining directors.

Section 4.3 The organizational meeting of a newly elected board of directors shall be held within ten (10) days of their election, at such time and such place as shall be fixed by the directors at the meeting at which they were elected, and no further notice of the organizational meeting shall be necessary provided a quorum shall be present.

Section 4.4 The officers of the Association shall be elected annually by the board of directors, any officer may be removed, either with or without consent, and his successor elected at any regular meeting of the board of directors, or any special meeting of the board called for such purpose.

Section 4.5 Regular meetings of the board of directors may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least two (2) such meetings shall be held during each fiscal year. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegram at least ten (10) days prior to the day named for such meeting, unless notice is waived. These meetings shall be open to all lot owners except for meetings between the directors and it's attorney with respect to proposed or pending litigation where the content of the discussion would otherwise be governed by the attorney-client privilege. Notice of the meeting shall be posted in a conspicuous place in the community at least forty-eight (48) hours in advance of a meeting, except in an emergency. In the alternative, if notice is not posted in a conspicuous place in the community, the board may approve a reasonable alternative to posting of the notice of each board meeting which may include publication of notice of such meeting or publishing a schedule of board meetings. An assessment may not be levied at a board meeting unless the notice of the meeting includes a statement that assessments will be considered and the nature of the assessments.

Section 4.6 Special meetings of the directors may be called by the President, and must be called by the Secretary-Treasurer at the written request of three (3) directors. Not less than three (3) days notice of a meeting shall be given to each Director, personally or by mail, telephone or telegram, which notice shall state the time, place and purpose of the meeting.

Section 4.7 Any Director may waive notice of a meeting before or after the meeting, and such waiver shall be deemed equivalent to the giving of notice. Attendance by a Director at any meeting of the board shall be waiver of notice by him of the time and place thereof. If all directors are present at any meeting of the board, no notice shall be required and any business may be transacted at such meeting.

Section 4.8 A quorum of a directors meeting shall consist of the directors entitled to cast a majority of the votes of the entire board. The acts of the board approved by a majority of the votes present at the meeting at which a quorum is present shall constitute the act of the board of directors, except as specifically otherwise provided in the Articles of Incorporation, these Bylaws or the Declaration of Subdivision. If any directors meeting cannot be organized because a quorum has not attended, or because the greater percentage of the directors required to constitute a quorum for particular purposes has not attended, whenever the latter percentage of attendance may be required the directors who are present may adjourn the meeting from time to time until a quorum or the required percentage attendance if greater than a quorum, is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a Director in the action of a meeting by signing and concurring the minutes thereof shall constitute the presence of such Director for the purpose of determining a quorum. Directors may not vote by proxy or by secret ballot at board meetings except secret ballots may be used in the election of officers. The provisions of this paragraph shall also apply to the meeting of any committees or other similar body, including any body vested with the power to approve or disapprove architectural decisions with respect to a specific parcel of residential property owned by a lot owner.

Section 4.9 The presiding officer of directors meetings shall be the President. In the absence of the President, the Vice President shall preside.

Section 4.10 The directors fees, if any, shall be determined by the members.

Section 4.11 All of the powers and duties of the Association shall be exercised by the board of directors, including those existing under the common law and statutes, the Articles of Incorporation of the Association, these Bylaws and the Declaration of Subdivision. Said assessments shall be made against lot owners not less frequently than quarterly in amounts no less than are required to provide funds in advance for payment of all the anticipated current operating expenses and for all unpaid operating expenses previously incurred. An assessment may not be levied at board meeting unless the notice of the meeting to owners includes a statement that assessments will be considered and the nature of the assessments.

4.11.2 The maintenance, repair, replacement, operation and management of the subdivision wherever the same is required to be done and accomplished by the Association for the benefit of its members.

4.11.3 The reconstruction of improvements after casualty, and further improvement of the property, real and personal.

4.11.4 To make and amend regulations governing the use of the property, real and personal, in the subdivision, so long as such regulations or amendments thereto do not conflict with the restrictions and limitations which may be placed upon the use of such property under the terms of the Articles of Incorporation and declaration of Subdivision.

4.11.5 To acquire, operate, lease, manage and otherwise trade and deal with property, real and personal, as may be necessary or convenient in the operation and management of the subdivision, and in accomplishing the purposes set forth in the Declaration of Subdivision.

Association, the Declaration of Subdivision, and any regulations hereinafter promulgated governing use of the property owned by the Association.
